

PUBLIC NOTICE

PUBLIC INFORMATIONAL MEETING

The Troy City Engineer, Russ Reeves, P.E. has announced that a public informational meeting will be held to discuss the proposed South Troy Riverfront Bikeway/Walkway, located in the City of Troy. The meeting will be held at the Troy City Hall 2nd floor City Council Chambers, Troy, New York on Tuesday September 20, 2005 from 7:00 – 9:00 pm.

The City, in cooperation with the New York State Department of Transportation, is developing design studies for the new bikeway construction. The new bikeway project limits begin at the intersection of Water Street and Burden Avenue and extend approximately 5.81 km (3.61 miles) north along the Hudson River.

The purpose of the meeting is to obtain comments on the proposed project from individuals, groups, officials, and local agencies. The City is specifically soliciting comments on the development of alternatives for the project and comments on the project's social, economic, and environmental effects. This public informational meeting is part of the continuing efforts by the New York State Department of Transportation, Federal Highway Administration, and the City of Troy to encourage public input into the development of transportation projects.

Please contact the office of the Troy City Engineer at 270-4604 if a sign language interpreter, assistive listening system, or any other accommodation will be required to facilitate your participation in this public meeting.

Further information on the project may be obtained from Russ Reeves, P.E., Troy City Engineer at (518) 270-4604. Written comments on the project should also be forwarded to Mr. Reeves.
